Question 1:

Will I be able to buy a boxed/perpetual version of Lightroom 5?

[ANSWER] Answer & Explanation:

Lightroom 5 will be available for purchase as a perpetual software license, via electronic download from Adobe.com and authorized resellers. A boxed version of Lightroom 5 will be available from authorized resellers.

Question 2:

If you're going to continue selling Photoshop CS6, will I still get Camera Raw updates?

[ANSWER] Answer & Explanation:

Because Adobe is still selling Photoshop CS6, those customers will continue to receive updated file format compatibility via Adobe Camera Raw 8. When we update ACR8 with new camera support, Photoshop CS6 customers can work with the new version of the Camera Raw plug-in. No new features or functionality will be available in ACR to Photoshop CS6 customers as part of those updates. See Tom Hogarty's post on "The Future of Adobe Camera Raw" for more details.
