### Question 1:

Would you be willing to relocate if required?

**[ANSWER] Answer & Explanation:**

You should be clear on this with your family prior to the interview if you think there is a chance it may come up. Do not say yes just to get the job if the real answer is no. This can create a lot of problems later on in your career. Be honest at this point and save yourself future grief.

### Question 2:

Do you think you are overqualified for this position?

**[ANSWER] Answer & Explanation:**

Regardless of your qualifications, state that you are very well qualified for the position.

### Question 3:

How do you propose to compensate for your lack of experience?

**[ANSWER] Answer & Explanation:**

First, if you have experience that the interviewer does not know about, bring that up: Then, point out (if true) that you are a hard working quick learner.

### Question 4:

What qualities do you look for in a boss?

**[ANSWER] Answer & Explanation:**

Be generic and positive. Safe qualities are knowledgeable, a sense of humor, fair, loyal to subordinates and holder of high standards. All bosses think they have these traits.

### Question 5:

Do you have any questions for me?

**[ANSWER] Answer & Explanation:**

Always have some questions prepared. Questions prepared where you will be an asset to the organization are good. How soon will I be able to be productive? and What type of projects will I be able to assist on?
